advance. While we do our very best to outline your plan to you, it is ultimately your responsibility to know your insurance plan benefits and restrictions. Based upon the information given to us by your insurance plan, we will ask for co-payments accordingly. Please note that our dentists are not contracted with any insurance plan. We are an out of network provider office and your benefits may vary accordingly. We do collect an additional 10 % of the charges incurred above and beyond what your insurances quotes to our office. In many cases, the end result will result in a credit balance to the patient account. These credits will be reimbursed.

It is important to remember that your insurance policy is a contract between you and the insurance company. We will do everything possible to assist you in getting your claim paid: however, all charges incurred for your dental treatment are your sole financial responsibility. Your co-payments are an estimate only. The quotes given to our office by your insurance company are merely that. They are not a guarantee of payment to us. We ask that you pay your co-payment, deductible (if required), or any balances of prior visits at the time services are rendered. If you are unable to pay your estimated portion for that time, we ask that you make prior financial arrangements with our billing representative.

If you do not have dental insurance, by signing this statement you acknowledge that you understand that you are responsible for payment in full at the time services are rendered. If you have insurance, by signing this statement you acknowledge that your insurance company may pay less than the actual bill for services and that you are fully responsible for payment of your account. By signing this statement you agree to pay for all balances not paid by your insurance company and any legal fees incurred to enforce this statement. If a balance on any account is not paid within 30 days, you could be charged interest on that account until paid in full.

We do accept personal checks, cash payments and credit card payments. We also offer a 5% Cash Professional Courtesy for any treatment prepaid to us in full. We will file your insurance as a courtesy for you. In addition to this, we offer a 5% Senior Citizen Courtesy. A Credit Card Authorization form is also available to keep on file for your account balances. See Front desk staff for these forms.

I hereby authorize the release of any information relating to insurance claims and I authorize payment of my group benefits directly to Jill H. Sentlingar, DDS and Prosper Family Dentistry P.A. I agree to give Prosper Family Dentistry permission to contact me regarding appointments and/or treatment at the phone number listed above.

I certify that the information I have provided here is true and correct.
